

Construction Industry Introduction

WE WELCOME YOU AND YOUR STUDENTS TO LEARN ABOUT CONSTRUCTION TRADE PROGRAMS IN OKLAHOMA!

You and your students, both past and present, are invited to join us for our Apprenticeship Open House event on **Wednesday, May 8, 2019** at the IUOE Local 627 Apprenticeship and Training Center in Stroud. This event will feature hands on demonstrations and test simulators of construction machinery, presentations about many of the Oklahoma Building and Construction Trades successful Registered Apprenticeship Programs, as well as a facility tour of the IUOE Local 627 Apprenticeship and Training Center.

The benefits are substantial - for apprentices, the average starting wage package is more than \$50,000, and workers will earn an average of \$300,000 more over their lifetime than their non-apprentice peers.

DATE: **Wednesday, May 8, 2019**
