

OYE Swine Penning & Map Instructions

1. Know that these are the penning assignments as they are this minute, subject to change. School(s)/county(ies) impacted by adjustments will be contacted and the new map will be posted at the Swine Office on the fairgrounds as of Monday, March 11.
2. Know that we are human and do make mistakes. Sorry. Despite what Guy Shoulders says, it's not because we/I don't like you!
3. Open the file "Penning2019.pdf" first to find your assignments.
4. Open the file "BarnMaps2019.pdf" and double check to make sure your assignment and the map matches.
5. To navigate the Barn Map quickly, hold down the "Ctrl" key and press "f" to **find** your pens on the map. Type at least a portion of your chapter or county. NOTE: The names are just the chapter name (town) with no spaces for two or three word chapters. Counties are put in as "Name4H," again with no spaces, followed by the number of pens that should be assigned. You can put in a partial name such as, "Still" for "Stillwater."
6. If there are issues (assignment doesn't match map, number of pens is off, etc.), please call immediately! Do not wait to get down to the City! Take care of this ahead of time, please! (See number 2. above.) We will provide you with the number of pens based on your entries.
7. Late entries received as of this morning (Tuesday, March 5, 2019) have been added to your count. At this point, if a late entry entitles you to another pen, you will be assigned an additional pen: no guarantees as to barn location.
8. On each map, the first line under the pen number is the BARROW assignments (in blue). The second line is the GILT assignments (in pink).
9. In livestock stalls (Barns 6, 8, & 9), "A" is on the left as you look at the stalls, and "B" is on the right.
10. The yellow pens on the map are unassigned at this time. They are NOT up for grabs until **after** all cards are due for the gilts and **after** all cards are due for the barrows. Some people stake claims before this time, but if the pens are needed by show staff before the cards are due, "squatters" **will** be moved and replacement chips will **NOT** be provided.
11. If you put down that you wanted to be near someone and that didn't happen, it is because they didn't want to be with you! Or perhaps one of you didn't follow the instructions. Better luck next time!
12. On the assignment list, you will see a barn number and a direction of E (East) or W (West). This is for unloading when you arrive at the fairgrounds. Check this, and let me know if a mistake was made during that process or if you prefer to be sent to the other side.

Not sure if you are in pens or stalls? Here's what is where and the approximate size of each (give or take an inch or two either way):

Barn:	6	6S (pens set up on the south end of 6)	6B (Beverly Hills)	7S (dirt)	7N (asphalt)	8	9
Approximate Pen/Half-stall Size	5'x10'	6' x 6'	6' x 6'	6' x 6'	6' x 6'	5'x10'	5'x10'

If you don't like where you are penned, or if you do like where you are penned, vote with your money by selecting me (Rose Bonjour), Roy Lee Lindsey, Jason Harvey or Guy Shoulders to Kiss the Pig. All proceeds go to support our good friend and fellow OYE Swine Committee member, Rusty Gosz, in his fight against cancer. Here's the link to donate or, stop by the hog ring throughout OYE to donate!

Looking forward to seeing everyone soon! **Happy OYE, everyone!**
